SECTION F -- DELIVERIES OR PERFORMANCE

F.1 52.211-08 TIME OF DELIVERY

JUNE 1997

Upon award of this IDIQ contract and at any other time requested, the contractor shall supply their Drydock Availability Schedule to the CO and/or COTR. The contractor shall submit a proposed scheduled Start and End Date within 1 work day of the Government's request for vessel pricing. Reservation of the schedule will be set upon a Government issuance of a Task Order for the drydocking of a particular vessel for the requested schedule period. Start and End date shall be mutually agreed upon by all concerned parties.

Government takes exception to the END date. Parties agree to work to define a mutually agreed END Date after award of this task order, within the next 30 calendar days.

SECTION H -- SPECIAL CONTRACT REQUIREMENTS

H.1 MCL.H-3 INDEMNITY AND INSURANCE

AUGUST 2005

To the extent provided in clause MCL.H-4, below, the Contractor shall indemnify and save and keep harmless the Government against any or all loss, cost, damage, claim, expense or liability whatsoever because of accident or injury to persons or property of others occurring in connection with the operations under this contract. The Contractor shall secure, pay the premiums for and keep in force until the expiration of this contract, and any renewal thereof, adequate insurance. Such insurance to specifically include liability assumed by the Contractor under this contract.

Each policy of insurance shall contain an endorsement that any cancellation or material change in the coverage adversely affecting the Government's interest shall not be effective unless the insurer or the Contractor gives written notice of cancellation or change as required to the Contracting Officer. When the coverage is provided by self-insurance, the Contractor shall not change or decrease the coverage without the Administrative Contracting Officer's prior approval.

A certificate of each policy of insurance shall be furnished to the Contracting Officer within five (5) working days after notice of task order award certifying, among other things, that the policy contains the aforesaid endorsement. The insurance companies' certificates providing the above insurance shall be satisfactory to the Government with ten (10) working days of task order award. Notices of policy changes shall be furnished to the Contracting Officer.

The contractor shall provide at the Contractor's expense, within five days of request from the MARAD contracting officer, a copy of all original insurance policies. These may be sent by mail or facsimile machine.

H.2 MCL.H-4 INDEMNITY AND INSURANCE (ADDITIONAL)

AUGUST 2005

MCL.H-4 INDEMNITY AND INSURANCE (ADDITIONAL) AUGUST 2005

(a) INDEMNITY

- (1) The Contractor shall exercise reasonable care and use its best efforts to prevent accidents, injury or damage to all employees, persons and property in and about the work, and to the vessel or portion thereof upon which work is done.
- (2) Except as provided elsewhere in this contract, including any guarantee clause, the MARAD assumes the risk of physical loss or damage to any part of the vessel, its machinery, equipment, stores, and other property including cargo if owned by the Government except to the extent that such loss or damage is caused by the negligence, fault, error, act or omission of the Contractor, its subcontractors, agents, or employees. The burden of proving freedom from fault shall be borne by the Contractor. Unless the loss or damage was caused by the willful misconduct of the Contractor, its executive officers, or superintendents the Contractor's liability under this Contract shall not exceed total damage to the ship or ships including total loss up to \$5,000,000 per accident or occurrence per vessel, and shall not exceed in the aggregate per accident or occurrence the sum of total damage to the ship or ships including total loss up to \$5,000,000 multiplied by the number of MARAD's vessels in the care, custody or control of the Contractor at the location and at the time of the accident or occurrence giving to the loss or damage.
- (3) As to third parties, including, but not limited to, agents, employees or servants of the Contractor, or any subcontractor, the Contractor will defend, indemnify and hold harmless the Government, the vessel, its owners and charterers, from all claims, actions, suits, costs, demands and expense of all descriptions arising out of disease, illness, personal injury, death or property damage to any third party in any way related to or arising out of the performance of work under this contract except to the extent caused by the fault, error, act or omission, or negligence of the Government, its agencies or employees. The burden of proving fault of the Government, its agencies or employees shall be borne by the Contractor.
- (4) As to loss and damage which are the responsibility of the Government, the Government shall be subrogated to any claim, demand, or course of action against third parties which exists in favor of the Contractor, and the Contractor shall, if required,
