MODIFICATION AUTHORITY Changes

DESCRIPTION

This modification is being issued to extend the period of performance on Task Order #1 to March 31, 2013, at no additional cost to the government. This extension is to provide rollout activities and provide some general maintenance through this period. The general maintenance would include providing personal help services for users who have questions on an as-needed basis, providing regular updating/backup or Web GIFT through RIT Information Technology Services, and providing support for improvements as the budget allows.

All other terms and conditions of this Cooperative Agreement remains unchanged.
