SAVINGS THROUGH PREPAYMENT

We are pleased to offer you a substantial savings through prepayment of your Annual Renewal List. A one-line invoice, which includes the estimated publisher price increases, is enclosed for prepayment purposes. When EBSCO receives your prepayment via check or electronic funds transfer, we will credit your account with the amount of your prepayment plus an additional credit amount as indicated below:

<u>Payments Received by:</u>	<u>Receive a Credit of:</u>
June 22, 2009	0.50%
July 27, 2009	0.375%
August 24, 2009	0.25%
September 21, 2009	0.125%

For example, if we receive a \$5,000 payment by June 22, 2009 we will add 0.50% of \$5,000, or \$25.00, and credit your account for \$5,025.00.

Act Now! Don't wait until your renewal list has been reviewed and returned. Send your prepayment now to **maximize your savings.**

After you return the renewal authorization, a final invoice will be generated which includes the amount of your payment plus the additional credit shown as "Cash/Credit Applied." Any balance due or overpayment from you will be indicated. This definitive invoice will be based on the publishers' prices in effect at the time of invoicing. We suggest that payments be posted against this invoice and not against prices appearing on the Annual Renewal List.

If you have any questions about our prepayment program or this offer, please call your Regional Office.
