SUPPLEMENTAL INVOICING INFORMATION

If desired, this order (or a copy thereof) may be used by the Contractor as the Contractor's invoice, instead of a separate invoice, provided the following statement, (signed and dated) is on (or attached to) the order: "Payment is requested in the amount of $_____. No other invoice will be submitted." However, if the Contractor wishes to submit an invoice, the following information must be provided; contract number (if any), order number, item number(s), description of supplies or service, sizes, quantities, unit prices, and extended totals. Prepaid shipping costs will be indicated as a separate item on the invoice. Where shipping costs exceed $10 (except for parcel post), the billing must be supported by a bill of lading or receipt. When several orders are invoiced to an ordering activity during the same billing period, consolidated periodic billings are encouraged.

RECEIVING REPORT

Quantity in the "Quantity Accepted" column on the face of this order has been: ☐ inspected, ☐ accepted, ☐ received by me and conforms to contract. Items listed below have been rejected for the reasons indicated.

ATTACHMENT 1

0001 GENERAL INSTRUCTIONS

a. To ensure the safety of the Academy, its personnel and contractors, all work shall conform to all Federal, State and Local laws, codes, ordinances and regulations.

b. Should any work performed under this contract prove defective by reason of faulty workmanship or materials, within a period of one (1) year from date of final acceptance of all work, the Contractor agrees to remedy such defects at his/her own expense within reasonable time after receiving notification of same, to the entire satisfaction of the Contracting Officer's Technical Representative (COTR) and the Contracting Officer. The Contractor shall provide a written letter of work guarantee showing effective date, time period, and description of guarantee and signature of Contractor.

c. The Contractor shall be held responsible for any damage to the surrounding areas, exercising due care and cause proper supervision by his/her representatives over the use of machinery, equipment and materials necessary to perform the work. Damage resulting from the Contractor's work must be adjusted by the Contractor at no additional cost to the Government.

d. The Contractor will take all necessary precautions to avoid injury to persons and damage to property and equipment. Any damage caused to Academy or tenant's property or equipment will be the sole responsibility of the Contractor. All damages caused by the Contractor's employees will be repaired or replaced to the satisfaction of the tenant and/or the contracting officer at no additional cost to the Government

e. **The Government shall not allow or permit any agent, independent Contractor or subcontractor, to commence work on USMMA premises until the required insurance has been received by the Contracting Officer.**

f. All debris is to be removed from Academy premises and all areas are to be left in a neat, clean and workmanlike manner.

g. Contractor's employees will visibly display a Contractor's furnished ID badge or card which shall include, at a minimum, the person's name, Contractor's Name and the individual's trade classification.

h. **The wages to be paid employees must be in conformance with the Department of Labor Construction Wage Decision Number NY080013, Modification Number 29 dated October 16, 2009. The determined wage rates are minimum rates and fringe benefits required to be paid pursuant to the Davis Bacon Act (see Attachment 2).**

0002 FINAL INSPECTION AND ACCEPTANCE

Upon completion of all work required, the Contractor shall request final inspection from the COTR. If the work is acceptable, payment will be made. If the work is not acceptable to the COTR, the contractor will be furnished a list of items which must be made acceptable. The Contractor shall again request final inspection after the completion of the unacceptable items. If the work inspected is found to comply fully with the requirements of the contract, it shall be accepted by the Contracting Officer and final payment made in accordance with the terms and conditions of the contract.

0003 INSURANCE REQUIREMENTS

The Contractor shall provide and maintain at his/her expense during the contract period the following insurance coverage:

a. **Public Liability (Including Automobile) and Property Damage**
This insurance shall protect the Government and the Contractor against all liability claims, or cost thereof, for personal injury or property damage resulting from the performance of the contract, within the following limits: not less than $1,000,000.00 for any one injury; not less than $2,000.000.00 for injuries resulting from any one accident. Property damage liability with the limit of not less than $2,000.000.00 for damage from any one accident.

b. **Contractor's Protective Liability and Property Damage:**
This insurance shall protect the Government and the Contractor against all liability claims, or cost thereof, for personal injury or property damage resulting from operations or subcontractors under this contract, in limit of not less than $1,000,000.00 for any one injury; not less than $2,000,000.00 for injuries resulting from any one accident. Property damage liability with the limit of not less than $2,000,000.00 for damage from any one accident.

c. **Workmen's Compensation:** As required by State or Commonwealth Laws.

(1) The Contractor shall promptly furnish to the Contracting Officer written evidence from the insurer that the required insurance is in effect and that it complies with the requirements of this clause. The Contractor shall promptly furnish to the Contracting Officer, upon request by the Contracting Officer, a certified true copy of the liability policy and manually countersigned endorsements of any changes thereto.

(2) Each insurance policy shall include the following provisions: **"It is a condition of this policy that the insurer shall furnish written notice to the Maritime Administration, in-care-of the Contracting Officer, thirty (30) days in advance of any reduction in or cancellation of this policy."** The Contractor agrees to insert the substance of this clause including this paragraph in all subcontracts hereunder.

d. **Liability to Third Person:**
The Contractor shall be responsible for and hold the Government harmless for all claims on the part of persons not a party to this contract for personal injury, death, and property loss or damage caused in whole or in part by the fault or negligence of the Contractor, its officers, agents, or employees in the performance of work under this contract.

0004 VEHICLE REGISTRATION AND OPERATION

a. No private vehicles owned and/or used by personnel working for the Contractor shall park in areas reserved for the Academy's faculty and staff. These areas are the striped parking

designations throughout the Academy. Contractor's personnel may park along village streets as authorized by posted signs. Delivery vehicles unloading both materials and equipment will be allowed to make their deliveries to their respective job sites throughout the Academy.

b. Privately owned and Contractor owned vehicles operating on Academy grounds must be registered at the Academy's Security Office immediately upon first arrival.

c. Privately owned and Contractor owned vehicles operating at the Academy are required to display a valid mechanical safety inspection sticker. If the state in which the vehicle is licensed or registered does not require a mechanical safety inspection, the requirements of the State of New York in the respect will govern.

d. All vehicles are subject to the traffic and parking regulations of the installation.

e. Personnel in the employ of the Contractor shall, in the operation of motor vehicles, possess a valid state driver's license, current registration and insurance certificate. Academy Security Personnel will strictly enforce the above regulations.

0005 ENVIRONMENT AND OCCUPATIONAL SAFETY

a. Contractors are required to submit hazardous Material Safety Data Sheets (MSDS) whenever the supplies being acquired are identified as hazardous materials.

b. Contractor shall be in possession of all licenses and permits required by Federal, State and local laws to perform hazardous substance(s) removal or disposal services.

c. Contractor shall report to the Contracting Officer any accident or fire occurring at the Site of the work which causes: (l) a fatality; (2) loss workday on the part of any employee of the contractor; (3) damage of $1000 or more to contractor owned or leased Motor vehicles; (4) and/or damage for which a contract time extension may be requested.

0006 1. FAR 52.252-02 CLAUSES INCORPORATED BY REFERENCE (FEB 1998)

This contract incorporates one or more clauses by reference, with the same force and effort as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of a clause may be accessed electronically at this/these address(es):

Level C	1.50

Truck and Crawler Cranes long boom premiums:

boom lengths (including jib) 100-149 ft	.50
boom lenghts (including jib) 150-249 ft	.75
boom lenghts (including jib) 250-349 ft	1.00
boom lengths (including jib) 350 ft	1.50

Cranes using clamshell buckets	.25
Front end loader 10 yds and above	.25
Oiler on truck cranes with boom length of 100 ft. or more	.25

FOOTNOTE:

a. Paid Holidays: New Years Day, Lincoln's Birthday, Washington's Birthday or Presidents Day (in liew of Lincoln's or Washington's Birthday, Good Friday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day, Christmas Day or days celebrated as such. Any holiday that falls on Saturday will be celebrated on Friday.

POWER EQUIPMENT OPERATOR CLASSIFICATIONS

GROUP 1: Asphalt spreader, backhoe crawler (capacity over caterpiller 225 and komatsu 300), boiler (thermoplastic), boring machine (post hole), cgherry picker (over 50 ton), CMI or maxim spreader, concrete pump, with oiler, crane (crawler truck), crane (on barge), crane (stone setting) crane (structural steel), crane (with clam shell), derrick, dragline, dredge, gradall, grader, hoist (3 drums), loading machine (bucket) capacity of 10 yards or over, micro-trap (with compressor-negative air machine), milling machine (large), piledriver, power winch (stone setting structural steel), power winch (truck mounted/stone steel), power-house, road paver, scoop, carry all (scraper in tandem), shovel, sideboom tractor, sideboom tractor (used in tank work), stone spreader (self-propelled), tank work, tower crane

GROUP 2: Bulldozer, Backhoe, Boom Truck, Boring machine/augur, Cherrypicker, Conveyor (multi), Dinky Locomotive, Forklift, Hoist (2 drum), Loading Machine, Loading Machine (front end), Mechanical Compactor (machine drawn), Mulch Machine (machine- fed), Power Winch (other than stone/structural steel), Power Winch (truck mounted/other than stone steel), Pump Hydraulic (with boring machine), Roller (asphalt), Scoop (carry-all, scraper), Tower Crane (maintenance man), Trenching Machine, Vermeer Cutter, Work Boat

GROUP 3: Curb Machine (asphalt or concrete), Maintenance Engineer (small equipment), Maintenance engineer (well-point) Mechanic (fieldman), Micro-Trap (self contained, negative air machine), Milling Machine (small), Pulvi-mixer, Pump (4 inches or over), Pump Hydraulic, Pump Jet, Pump Submersible, Pump (well point), Roller Dirt, Vac-All, Welding and burning, Compressor (structural steel), Compressor (2 or more battery), Concrete Finishing Machine, Concrete Spreader, Conveyor, Curing Machine, Fireman, Hoist (one drum), Ridge Cutter, Striping Machine, Welding Machine (pile work), Welding Machine (structural Steel).

GROUP 4: Compressor, Compressor on crane, Compressor (pile work), Compressor (stone setting), Concrete Breaker, Concrete Saw or Cutter, Fork Lift (walk behind, power operated), Generator- Pile Work, Generator, Hydra Hammer, Mechanical Compoactors (hand operated), Oiler (truck crane), Pin Puller, Portable Heaters, Powerbroom, Power buggies, Power Grinders, Pump (double action diaphragm), Pump gypsum, Pump (single action 1 to 3 inches), Trench Machine hand, Welding Machine

GROUP 5: Batching Plant (on site of job), Generator (small), Grinder, Mixer (with skip), Mixer (2 small with or without skip), Mixer (2 bag or over, with or without skip), Mulch Machine, Oiler, Pump (centrifugal, up to 3 inches), Root Cutter, Stump Chipper, Tower Crane (oiler), Track Tamper (2 engineers, each), Tractor (caterpillar or wheel), Vibrator, Work boat (deckhand),

GROUP 6: Well drillers

FOOTNOTES:

a. PAID HOLIDAYS: New Year's Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Election Day, Veterans' Day (Armistice Day), Thanksgiving Day and Christmas Day. Employees working two (2) days in the calendar week in which a holiday falls are to be paid for such holiday, provided that they shape each remaining workday during such calendar week.

b. VACATION: For each 15 days worked with the contract year an employee will receive one day vacation with pay, maximum vacation of 3 weeks per year. In addition, an employee who qualifies for two weeks (10 days) vacation or more with pay and who has been continuously employed by his employer for six years before the close of any contract year, shall be entitled to one extra day vacation; seven years before the close of any contract year, shall be entitled to two extra days vacation; eight years before the close of any contract year, shall be entitled to three extra day vacation; nine years before the close of any contract year, shall be entitled to four extra day vacation; ten years before the close of any contract year or over shall be entitled to three weeks paid vacation with pay, but in no event shall any employee be entitled to more than three weeks vacation pay per year.

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

==========

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

In the listing above, the "SU" designation means that rates listed under the identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination
* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

==========

END OF GENERAL DECISION
