

DTMA1R05019 Work Site Inspection/Visit Notice

Work Site Visitation Notice

The Maritime Administration (MARAD) intends this Notice for those potential offerors interested in responding to future solicitations associated with the following Market Survey Notices:

- DTMA1R05019: Draft Management and Oversight of the NS SAVANNAH prior to, during and post DDR. (RFC)

There will be a one-day work site inspection period scheduled for 09/27/2005. The actual site visit and containment vessel entry is scheduled for Tuesday 09/27/2005.

Who Should Attend

If you are, a potential offeror who is interested in responding to future solicitations associated with the DRAFT RFP identified above.

Personnel Limitations

Due to the potential amount of interest in the NS SAVANNAH, potential offerors will be allowed a maximum of two people to attend the actual work site inspection.

When

The Work Site Inspection is scheduled for September 27, 2005.

Check MARAD's VOA website for schedule changes. <https://voa.marad.dot.gov>.

Where:

MARAD will host the site inspection aboard the NS SAVANNAH located in the James River Reserve Fleet (JRRF), FT EUSTIS, VA (Newport News, Virginia).

Identification

Only persons with valid government issued photo identification will be allowed to attend the Work Site Inspection. There will be no Question and Answer Session at that time, however, we do invite visitors to write their questions down on 3 x 5 cards, so the MARAD can address them later and post them to the VOA site.

Registration

Interested offerors are required to pre-register and identify those that will be attending the session. Attendees should submit a list of personnel with the following information on **Company letterhead**.

1. Site Visit (Radiological Controlled Spaces) {Two People Maximum}
 - a. Name
 - b. Citizenship
 - c. Place of Residency (City, State)
2. Company Point of Contact
 - a. Name

b. Daytime Phone and e-mail

Company points of Contact are requested in order to follow-up with attendee questions, changes in venue (due to weather) or last minute schedules outside MARAD's control.

FAX Attendee Registrations to:

MARAD Office of Acquisitions, ATTN: Gene Simmons (202) 366-3237

Note: Email Responses **will not** be accepted.

Liability Release Form

All persons intending to visit the James River Reserve Fleet Site will also be required to complete a Release of Liability and Permit and Asbestos Notice Form. Attendees should download and complete this form prior to arrival at the JRRF. (<https://voa.marad.dot.gov> {click on NS SAVANNAH, then select document library}).

Parking

Due to the limited amount of parking space, potential offerors are encouraged to car pool. JRRF Staff will direct parking once you reach the Fleet Site.

Response Due Date

Registrations for those intending to visit the James River Reserve Fleet on either day of the Site Inspection Period are due **NO LATER THAN:**

Close of business on Friday, September 23, 2005.

WARNING: No Cameras Allowed!

Cameras or cell phones **will not be authorized** in any of the Radiological controlled spaces. MARAD will provide photo documentation of the Containment Vessel (CV) interior and the Secondary Containment interior from the original construction as well as representative photos of these areas in their current condition. Visitors will be permitted to take photographs of non-controlled spaces.

Site Schedule

Site Survey Tue 09/27

0730

Potential Offerors should plan to arrive no earlier than 0730 AM.

Vehicle Base Passes

Allow one-half an hour to process through the PASS office at the main gate for vehicle passes. Vehicle passes should cover both days of the site visit. The driver will require a valid driver's license, vehicle registration and proof of insurance. If the vehicle is a rental car, the rental car agreement or contract should suffice as registration and proof of insurance. It should be noted that the vehicle is subject to search while on base. All passengers will be required to show valid identification while passing the main gate.

0830 - Launch Service

Launch service will commence at 0830 from the pier. Personnel will be shuttled in groups of approximately 15-persons about every half an hour.

0900 - Site Inspection Tours

Site inspection tours will include provision for the necessary protective outerwear (Tyveks coveralls). This is an industrial work site. All persons should wear suitable clothing and footwear (sneakers, skirts/dresses are not permitted) for an industrial work site. Changing rooms will not be provided. Each tour will be approximately 2-hours in length. Tour guides have been instructed not to answer any detailed or technical questions. Please write down your questions on 3 X 5 cards MARAD will provide at your arrival onboard the SAVANNAH. These questions and their responses will be posted on MARAD's VOA website: <https://voa.mara.dot.gov> (Click on NS SAVANNAH and Q&A)

Lunch

MARAD will not provide lunch. However, those wishing to brown bag lunch, you are more than welcome to eat aboard. Time is limited to ensure that the event completes during normal working hours of the JRRF.

1200 – Last Lunch for Tours to Ship

1300 - Last Tour

Last tour of the day commences.

1600 - All Persons Accounted For
